HACKATHONS

Just Got Easier

FINDS YOUR TEAM, PLACE TO STAY

What We Offer

Finding the right teammates can make or break your hackathon experience. Our Teammate Finder feature connects you with like-minded individuals based on shared interests and skills. Here's how it works:

Teammate Finder

Find teammates based on shared interests and skills. Our algorithm ensures you connect with the right people to make your hackathon project a success.

Accommodation Finder

Locate nearby places to stay during the hackathon. We provide a list of affordable and convenient options to ensure you have a comfortable stay.

Carpooling

Connect with other participants for carpooling. Reduce travel costs and environmental impact while making new friends.

Lets Get Started

How It Works.

Sign Up: Create an account to access all features.

Find Teammates: Use our teammate finder to connect with like-minded individuals.

Find Accommodation: Search for nearby places to stay.

Carpool: Connect with others for carpooling.
